

SUBMISSION AND OFFICER RESPONSE

Summary of Submissions for the Road Management Plan Review

Submitters Details	Submission Summary	Officer Response / Action	Included in Revised Plan
Andrew Kelly	<p>Black Gully Road which is now part of an important PT route is in need of desperate improvement. The road is narrow and is only line marked around corners. It is a connecting road to Yan Yean Road and carries a significant amount of heavy vehicles which provides services to new developments as well as PT to South Morang. The road needs improvement to accommodate the new pedestrian/vehicular demands that will only increase once Collard Drive development etc. finalises.</p>	<p>Traffic issues and road upgrades are not a function of the RMP.</p> <p>A customer service request has been raised and forwarded to Infrastructure Development for further investigation and action.</p> <p>The resident was provided with the customer service number details.</p> <p>The resident has been emailed reminding him of his ability to speak to his submission at Council's Policy and Services Meeting scheduled for 14 February 2017.</p>	No
Gabby Morrison	<p>The footpath from The Glen to the shops in Hurstbridge is in a poor state, cracks and bumps along the way, trip hazards for those even steady on their feet. It would be good to see some repairs and maybe the path widened.</p>	<p>A service request has been created to investigate any immediate defects requiring repair and request number provided to the resident.</p> <p>The footpath is at a stage requiring renewal and has been forwarded to ID for consideration of works as part of their footpath renewal program.</p> <p>Works are proposed to be staged give the anticipated expense with the first stages expected to completed before the end of the financial year.</p> <p>The resident has been emailed reminding him of his ability to speak to his submission at Council's Policy and Services Meeting scheduled for 14 February 2017.</p>	No
